USEFUL INFORMATION

VEGAN DANCE SHOES

You can order any of our dance shoes as a vegan shoe, which will not be made using any animal products. Vegan shoes are classed as 'Bespoke' and are thus non-refundable.

SHOE CARE

SUEDE SOLES: Use the Shoe Brush (page 16) but be gentle to avoid damaging the surface and colour of the sole. Replacement soles (page 15) can be applied using a strong hold glue.

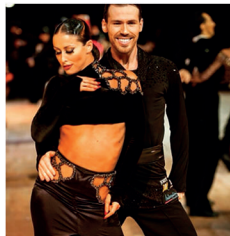

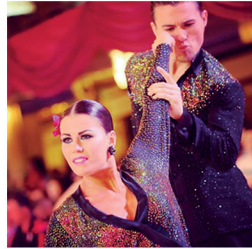

PATENT: Use the Patent Protector provided in the shoe box before, during and after dancing. This helps prevent sticking and scuffing.

HEEL TIPS: Slimmer heels should be checked regularly as tips with a smaller surface area can wear faster. We offer replacement Heel Tips & Heel Protectors (page 16).

We recommend keeping all shoes away from wet surfaces as dance shoes are designed for indoor use only.
